

PLEASE RETURN TO SCHOOL OFFICE BY NOVEMBER 19

**Corpus Christi 2009 Crab Feed
Special Offerings/Party Planning Form**

The Crab Feed's Special Offerings and Parties, is a fun, creative and unique category that brings students, parents, men, ladies, girls and boys together to experience anything from an ice cream social, to a themed dinner party, to a ladies night out to a father-daughter dinner dance to an art lesson. The ideas are endless and each year new parties or events are introduced while many of the *old favorites* are repeated time and time again.

Before any of these great parties can be offered at the Silent Auction, they must first be created, budgeted and organized! There are many ways you can get involved in the process:

- You can organize your own party;
- You can work with us to help you organize a party;
- You can join a family or group of families who already have a great idea but need more hosts; or
- You can be a silent host of a party, which means you just want to make a financial contribution toward a party but not be a planning host.

Please check a box below and return it to the School Office by **Wednesday November 19** via backpack mail. You'll still need to submit your official auction donation form by **December 5**. This form just helps us plan.
