Dear Friends and Families of Corpus Christi School and Parish:

Welcome to the 48th Annual Crab Feed and Auction! Every year the Corpus Christi Community gathers to share in an evening of good food and drink, music and merriment, with the added benefit of raising money to support the school and parish. The Crab Feed and Auction Event is the largest fundraiser of the year, and the funds raised support a host of school and church endeavors. Programs including: art, technology, and teacher bonuses - as well as facility improvements - are made possible through the funds raised at this annual event.

The Crab Feed and Auction Event is successful because of the generosity, skills, enthusiasm, and resources of so many people. To all of the parishioners, parents, teachers, students, school and parish staff, we thank you for your gifts of time and talent. To the local businesses who have supported us this year and in years past, we extend our heartfelt gratitude and will continue to show our appreciation to you through our patronage. This event would not be possible without so much local support.

Thank you for joining us tonight. We hope you have a fabulous evening. We invite you to enjoy a relaxing meal among friends knowing that your generosity at the Auction tonight will help Corpus Christi School and Parish continue to nurture and challenge its students and provide spiritual growth to its members.

Thank you,

Kim Kuesel, Moiré Bruin & Dana Young

Win an Instant Wine Cellar!

Enter to win more than 100 bottles of wine!

Have you ever dreamed of having a wine cellar?

Not the kind that requires years to mature, but the kind that invites you to drop in and grab a nice bottle of wine any day of the week, without occasion, pomp or circumstance?

The Instant Wine Cellar is your dream come true.

The Corpus Christi Men's Club, with the help of Farmstead Cheeses & Wines, has assembled a collection of excellent wines intended for everyday use as well as the occasional special event. Most of the bottles in the collection have a retail value between \$10 and \$30, but there are those worth much more. The collection is approximately 70% red and 30% white, with a lovely variety of Cabernet, Merlot, Pinot, Chardonnay, and many others. This collection will make a beautiful Instant Wine Cellar for anyone who enjoys the grape.

Final count and an inventory of the wines will be available the night of the Crab Feed.

Winner will be announced during the Live Auction and need not be present to win.

Buy your raffle tickets after Masses on January 16 and 23, or purchase tickets from our very own Corpus Christi 8th graders, who will be roaming the halls the night of the auction.

Endowment Pops!

Who will be "The Last Person Standing"?

"The Last Person Standing" interactive format is back! Here is how it works:

During tonight's Live Auction, when we get to Endowment Pops, the auctioneer will ask everyone to stand and stretch a little bit. Are you willing to give a little bit more to support Corpus Christi School? Are you willing to stretch just a bit more to make tonight's event the most successful ever?

- Could you donate just \$50 more?
- Would you be willing to donate even \$100 more?
- Do you think you can donate still more: \$250? \$500? \$750? \$1,000? More?

The auctioneer will call out a donation level, starting at \$50 or less. If you are willing to donate at that level, you will be asked to sit down and complete the donation cards at each table. Once you are seated, please remain seated. Pass your completed donation card down to the end of the table where a Dream Teamer will pick them up.

If you wish to donate at a higher level, remain standing. The auctioneer will escalate the donation (\$50, \$100, \$250, \$500, \$750, \$1,000, \$2,000, ...). Choose the level that is right for you, then be seated and complete a donation card. Pass the completed card down to the end of a table and a Dream Teamer will collect your card.

As the donation levels increase, there will be fewer and fewer standing, until we ultimately find out who is the Last Person Standing!!! We will have a special prize awaiting that special person. Will it be you?

Why the Corpus Christi Endowment Matters:

The proceeds from Endowment Pops go to the Corpus Christi Endowment Fund--the Father Oliveira Memorial Fund. This fund is set up to provide interest income in order to offset the cost of some of the school's recurring, essential needs, including:

- Attracting and retaining talented faculty, aides, and staff;
- Maintaining a sufficient staff to allow for a 16:1 student ratio;
- Enhancing enrichment offerings, which include technology, Spanish, music, library, physical education, special needs; and,
- Bolstering co-curricular opportunities, including fine arts, student government, and athletics.

**Thank you all for your continued support
of Corpus Christi School!**

Live Auction Protocol

- The live auction will begin at 9:00 pm.
- To bid on an item, raise your bidder number (on the back of your catalog) high in the air.
- All bids must be acknowledged by the auctioneer to be considered.
- All bids start at a minimum figure and will be raised in increments indicated by the auctioneer.

9 'State of the State' Dinner with Former Governor Pete Wilson

Elegant Six-Course Dinner for 10 Guests in the Home of Kevin and Laura Francis featuring decidedly California Cuisine with Head Chef Stephen Ripley.

Do you really want to know the inside scoop on how politics and public policy work? We mean REALLY WANT TO KNOW? Well, here is a once-in-a-lifetime opportunity to have your questions answered. And if you want to impress the boss, your father-in-law or Father Leo, invite them along as well. If you win this item, you will have the opportunity to invite 9 of your closest friends to join you for an intimate dinner with Governor Wilson. How does California resolve the budget crisis and get back on track? How should President Obama handle the ongoing issues with North Korea and Iran? What was it like to go toe-to-toe with Willie Brown in budget battles? What national security threats keep him awake at night? Where does Governor Wilson believe the State is headed with Governor-Elect Brown at the helm?

There are few public servants in America with more public policy experience. Governor Wilson served for eight years as the 36th Governor of California, eight years as a United States Senator, eleven years as Mayor of San Diego and four years as a California State Assemblyman. He is currently the Chairman of the Board of Trustees of the National World War II Museum, and served on two critical national security positions during the 911 terrorist attacks, including the President's Foreign Intelligence Advisory Board and the Defense Policy Board.

Silent Auction Protocol

- To bid on an item, you need an assigned bidder number! If you do not have a bidder number, please request one prior to the Auction, during the Auction Preview, or when you check in the evening of the event.
- To bid on a specific item, please enter your bidder number, family name, and bid amount on the appropriate bid sheet. All three are required!
- Be sure to note what type of bidding rule is in place. For example:
 - Highest bidder: If you really want the item, your bid needs to be the highest one when the tables close.
 - First 10 bidders: This means you have to come early! The first ten bidders to sign up at the set price win! You need to plan on going to the pre-bid session to make sure you're one of the lucky winners!
 - Six highest bidders win: If your bid is one of the six highest bids when the tables close, you win! Bids can fall within a broad range, but the six highest will win!
 - Party Maximum: Pay close attention to the maximum allowed at each party, and whether you are asked to sign up per person or per couple/family on each bidder line.
- Please note that every item in the catalog includes the donor's name and item value.
- Please respect minimum bid and raise amounts printed on the bid sheets.
- To 'raise' an existing bid, enter your bidder number, name and bid amount on the next available line on the bid sheet.
- Please be sure to write the correct bidder number and name down and **print clearly**. Every year, we have several instances of winning bidder numbers that do not match the names written next to them.
- Only use your assigned bidder number! Do NOT bid for other families!
- Please observe table closing times. This year we will have staggered room closings. The table closers will come around and draw a line through the bid sheet when bidding is closed on that item. Please stand back when the table closer reaches the bid sheet. When the bid sheet is "closed," no more bids are allowed on that item. NO EXCEPTIONS!
- Please do not remove bid sheets from the tables.

In an effort to make the most of our resources, the Crab Feed & Auction Committees have continued to make changes the Auction program:

- We've inserted our advertising Crab Pages into the center of this catalog, rather than providing them in a separate book.
- Instead of receiving paper gift certificates for parent/student parties and teacher offerings, winners will notice that contact and event information is printed directly on their invoices. Please retain your catalog in order to reference the fine print of the items you've won.
- When disposing of your catalog, please remember to recycle it with your paper waste...and plan to reduce, reuse, and recycle tonight and all year long!
