

Dear Friend of Corpus Christi School:

We are writing you today to ask for a donation to our 2011-12 school fundraising efforts. Support for education is one of the greatest contributions we can make – especially during this period of challenging economic times. Corpus Christi families greatly appreciate the generosity of local merchants and patronize the businesses that contribute to the school. Donors are recognized at various times throughout the year through event programs, newsletters and the school website. We believe this encourages Corpus Christi loyalty to those businesses and merchants that support our school.

Please consider making a donation to our 2011-2012 fundraisers through:

- Merchandise
- Services
- Gift Certificates
- Sponsorship of our annual tuition raffle

We will gladly pick up the donations; or you can complete the enclosed donation request form and return it to the school in the enclosed self-addressed envelope by September 15, 2010. Donations will be part of our school raffle at our annual Walk-a-thon (October 15, 2011) and silent auction at our Crab Feed (January 28, 2012). All contributions are tax deductible. Corpus Christi School is a 501c(3) organization. Tax ID # 94-1535363.

With the funds generated this year, we hope to continue to provide enhanced learning opportunities for our students and teachers, including technology, arts, science, drama and music. In the past, we were able to enhance several aspects of the educational experience, including re-surfacing the gymnasium floor, expanding our mobile computer lab capabilities and providing resources for art and music programs.

Thank you for considering donating to Corpus Christi School and making a significant impact in the lives of our young people.

Warm Regards,

Stacey Pugsley
