Party Intent Form

Everyone loves a party...kids and adults of all ages. You can **spread a little joy** by hosting a kid or parent party. **Parties can be** anything from **intimate and small to large and raucous**. It can be **for the boys, for the girls, for boys and girls**, for the **parents** or for the **family**. You, the host, can make the call. From wine tasting to parent child dances, sporting events to high tea **there is a perfect party for everyone**. We just need you to **dream it up and host it!**

Sounds great...what do I need to do??? It's as easy as 1-2-3!

1. **Get Creative!** Come up with your idea the whos, whats, wheres, whens.
2. **Rally your friends** to join you in hosting! Have a sense of time and cost per host.
3. **Complete the Party Intent Form & return to the school by November 18.**

***Fresh out of ideas but still want to contribute to a party?** Let your party planning committee help match you to a party in need of additional hosts. Just check the box on the intent form and you're on your way!*

If you have any questions, we are here to assist you in the planning!
